RE:

CHRIS GIBSON FOR CONGRESS
JULY QUARTERLY REPORT
04/01/2011 – 06/30/2011

Dear Mr. Kaye:

I am writing in response to the enclosed notice which is advising of contributions that appear to be exceeding allowed limits. Please be advised that we are in the process of notifying the listed contributors and requesting permission to redesignate their contributions. We are awaiting written confirmation of redesignation. As indicated in your letter, we will be reporting these redesignations as memo entries on Schedule A once the authorization for redesignation is received from the respective donor.

Additionally, your letter indicates contributions received from unregistered political committees. Please be advised that these donations were from local committees and that upon receipt of these donations, the committees were contacted by us and efforts were made to insure that the respective committee had sufficient permissible funds available to cover the donation made to our committee.

If you have any questions regarding this matter or need additional information, please do not hesitate to contact us.
